

# Three Wines & Still Life

*with Kathleen Rake of Between the Vines  
& artist Desneige Meyer*

Get your friends together for a fun evening of wine tasting and painting! Kathleen Rake, wine writer, wine blogger and wine lover, takes us to Spain with a tasting of 3 wines. Along with some lovely cheeses, you'll get a full glass to savour as you create a still life painting with artist Desneige Meyer, inspired by the rich colours and fluid textures of our wines. First time and experienced painters alike will enjoy this quick and fun painting process using monochromatic acrylics.
